Selected COMMISSIONS

Including various private commissions for the public and domestic environments. Most commissions are for private clients, the art installation being based on conversations and based within my research-based practice. The artworks are developed in personal collaboration with the client to create bespoke objects and artworks of meaning. The artworks often celebrate or function as a reminder or memento of special moments and occasions, containing symbolic values of significance and importance for the client.

- 2024 **Celebration of Life** –Private Commission, Breda, The Netherlands
Gratitude –, Private Client, Antwerpen, België
- 2023 **Blossoming** –Private Client, Doorn, The Netherlands
